Dear colleagues,

We invite you to participate in the second Scientific Conference “Modern Phytomorphology”, which will be held on 14-16 May 2013 in Lviv (Ukraine) on the basis of the Department of Botany of Biology Faculty of Ivan Franko National University of Lviv.

Especially we invite the scientists specializing in the field of anatomical and morphological studies of plants, fungi and lichens. As well as we invite the scientists, who apply anatomical and morphological data in the investigations of biology and ecology of above mentioned organism groups.

The papers will be published as a separated book of conference proceedings.

Working areas of conference:

- ▶ theoretical bases and history of structural studies on plants, fungi and lichens;
- ▶ anatomical and morphological studies on plants, and their application in the other fields of botany and ecology;
- ▶ anatomical and morphological studies on fungi and lichens, and their application in the other fields of mycology and lichenology.

Working languages:

English (preferred), Ukrainian and Russian.

Participation:

For participation in conference please send the completed application form and paper to *phytomorphology2013@gmail.com* and pay the organizing count **before 31 December 2012**.

Application form should contain following fields:

- ▶ Name and surname
- ▶ Place of employment or study
- ▶ Position held and scientific degree
- ▶ Postal address (*please input full address for correspondence with name of institution if so*)
- ▶ E-mail
- ▶ Contact phone number
- ▶ Paper title
- ▶ Form of participation (personal or distant)

Please send the application form as a separate file in “.doc” or “.docx” formats. The file name has to contain the first author name (e.g. – novikoff_reg.doc).

**Paper requirements:**

The manuscript size is unlimited; font – Times New Roman, size – 12 pt., indentation – 1,25 cm, 1,5-spaced, width fitted; margins 2 cm on all four sides.

File format “.doc” or “.docx”. The file name has to contain the first author name (e.g. – novikoff_text.doc).

Text sequence: article title, author’s names, institution name, postal address, e-mail, summary and keywords in the language of the main text, main text, references.

If the main text language is different from English, then print the titles for figures and tables both in the language of main text (Ukrainian or Russian) and in English, as well as give the article title, institution name, postal address, e-mail, summary and keywords in English at the end of the manuscript.

Please do not use capital letters for the titles in the manuscript!

Quotations:

Quotations in the text should be as follows. For one author: (Kondracki 1978); for two authors: (Capelletti & Poldini 1984); for three or more authors: (Cieśliński *et al.* 2009). Also can be quoted as Kondracki (1978: 55-60) or (Kondracki 1978, 1980).

References should be as follows:
